

OFFSET MITRE JOINTS PRICING AND INFORMATION
FOR POSTFORM FLAT DECK, CUSTOM SQUARE EDGE, WOOD EDGE AND BEVEL EDGE TOPS

Loose: \$60.00
Assembled: \$80.00

The offset mitre joint specifically designed for use with Postform "Flat Deck", Custom Square Edge, Wood Edge and Bevel Edge tops has the following benefits:

- Easy to assemble
- Shorter seam length
- Allows for longer lengths without additional joints
- Can be left or right
- Can be loose or assembled

SPECIAL NOTES:

- When ordering, always provide the back wall dimension and specify "Offset Mitre".
- **IMPORTANT: CANNOT BE USED WITH INTEGRAL BACKSPLASH COUNTER TOPS!**
- Cannot be used for finished bar top to bar top

Example 1: Flat Deck L-Shaped Kitchen

Example 2: L-Shaped and U-Shaped Flat Deck Kitchen with Peninsula Top
